

INCHES

The 9th International Conference on Children's Health and the Environment

*Saving the Children at Risk,
Shaping the Future Sustainability*

From June 27-29, 2018, International Conference on Children's Health and the Environment (INCHES) is organizing its ninth conference at the Hoam Faculty House, **Seoul, Korea**. We cordially invite you to participate the 9th INCHES and submit abstracts for presentations.

Call for Abstract

Any theme, as long as there are health benefits for children to be gained, are welcome including the following themes:

- Environmental hazards to children (such as radiation, air pollution, pesticides, mycotoxin)
- Developmental disorders
- Health promoting settings and policies
- Consumer products: hazards and safe alternatives (such as toys, home items, gardening items)
- Information for health care providers
- Children's health and climate change
- Indoor air pollution

Oral and Poster Abstracts must be submitted by March 1st, 2018 via email: **inches9th@gmail.com** for consideration by the INCHES 2018 Scientific Program Committee.

Important dates and deadlines

Abstract deadline: March 1st, 2018

Abstract acceptance notification: April 7, 2018

Early bird registration: May 15, 2018
